CONSTRUCTION CONTINUES AFTER WINTER STORM

The Hawthorne, Corrigan and gatehouse renovation projects were minimally impacted by the winter storm. The construction team continues to work diligently to recoup the lost week.

If you have construction questions, email pvnino@forefrontliving.org. Your question may be included in our next "Questions That Need Answers" segment.

PROGRESS IN THE CORRIGAN

WHAT TO EXPECT WHILE THEY'RE CONSTRUCTING

A Guide to Construction at PVN

MARCH 1 - 5

- The Hawthorne garage:
 - A concrete pour is scheduled for Monday, March 1.
 - Framing begins for support piers for the first floor.
- The Corrigan building:
 - Demolition continues.
 - The building will be without power on Monday beginning at 4 p.m to Tuesday morning. This will affect the Lifestyle Fitness Center.
 - In the dining room, contractors will drill holes for foundation piers. We apologize for any noise during this time.
- The gatehouse:
 - Electrical work inside the gatehouse begins.
 - Doors and windows will be installed.
- Programs continue to be held in the Corrigan Activity Room.
