## WHAT TO EXPECT WHILE THEY'RE CONSTRUCTING

*A Guide to Construction at PVN*

### MARCH 8 - 12

- The Hawthorne garage:
  - The initial concrete pour for the first floor is scheduled for Wednesday, March 10.
- The Corrigan building:
  - The majority of demolition on the first and second floor will be completed by the end of the week.
  - The building will be without power on Monday beginning at 4 p.m to Tuesday morning. This will not affect resident areas in the building.
- The gatehouse:
  - Electrical work inside the gatehouse continues.
  - Masonry brickwork on the exterior begins this week.
- Programs continue to be held in the Corrigan activity room.
