

THE CONSTRUCTION CORNER

THE OFFICIAL NEWSLETTER FOR PVN CONSTRUCTION

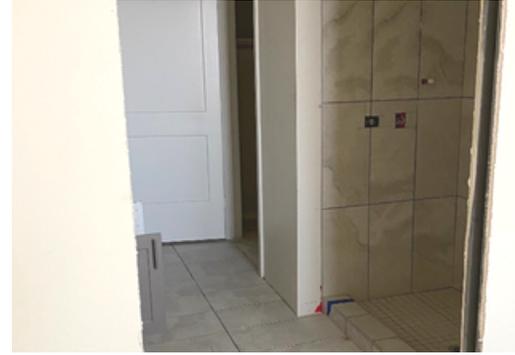

December 17, 2021

Vol. 55

CABINETS INSTALLED IN THE HAWTHORNE

Left - Tile backsplash installed in kitchen on level 5.
Right - Tile installed in a restroom on level 5.

WHAT TO EXPECT WHILE THEY'RE CONSTRUCTING

A Guide to Construction at PVN

NOVEMBER 22-26

- The Hawthorne:
 - Finish installing cabinets on levels 1 and 2.
 - Begin installing countertops on level 4.
 - Commence trimming doors and entryways on level 5.
 - Continue exterior stone and stucco installation.
- The Corrigan building:
 - Continue cleaning and final inspections.

- [Click here to view the live cameras on the Hawthorne construction.](#)

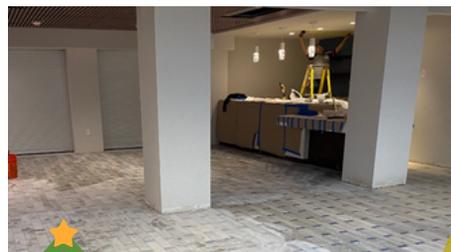

**All timelines are subject to change due to weather or other unforeseen circumstances.*

#QTNA QUESTIONS THAT NEED ANSWERS: BY JARRED RICHARDSON

Q Does The Hawthorne have private elevators for the construction crew?

A There is not a service elevator, but there are two elevators for resident use.

PROGRESS IN THE CORRIGAN BUILDING

Top (left) - Wood grill ceiling installation in the corridor to the Corrigan dining rooms.

Bottom (left) - Tile installation in the Corrigan lounge.

Right - Wine display case between the Corrigan dining rooms.

HAPPY HOLIDAYS! THERE WILL BE NO CONSTRUCTION CORNER NEXT WEEK DUE TO THE HOLIDAY.

If you have construction questions, email them to pvinfo@forefrontliving.org.
