

THE CONSTRUCTION CORNER

THE OFFICIAL NEWSLETTER FOR PVN CONSTRUCTION

January 28, 2022

Vol. 60

WORK RAMPS UP IN THE HAWTHORNE

Top - Elevator installation underway on level 5 of The Hawthorne.

Left - Concrete floor poured in The Hawthorne Sky Lounge.

Right - The Hawthorne exterior and balcony in progress.

Moving forward, The Construction Corner will become a monthly newsletter.

WHAT TO EXPECT WHILE THEY'RE CONSTRUCTING

A Guide to Construction at PVN

JANUARY 31 - FEBRUARY 4

- The Hawthorne:
 - Continued exterior masonry work moving towards the west end of the building.
 - Pour concrete in the elevator lobby.
 - Install shower doors and mirrors on level 3 and install electrical fixtures on levels 1 and 2.
 - Finish installing countertops and tile on level 1.
 - Continue removing the scaffold from the east end of building.
 - The pond:
 - Begin electrical work.
 - Start work on the formwork for section 1 sidewalk and lighting.
 - The Corrigan building:
 - Finish any outstanding work.
